## Front Page Editorials ... Getting There Is Half The Fun

During the past week we have been hearing complaints from citizens who claim that some snowmobilers in the area are becoming quite a nuisance in driving over other people's property and running around late at nights keeping everyone away from their sleep. And on hearing some of the local people who have been injured lately on snowmobiles, we thought that this bit of news from Abex News would be quite appropriate at this time. We quote:

"Half the fun is getting there. The other half is getting there without injury. When man invents new and faster devices to propel himself over the face of the earth he also creates new ways of subjecting himself to injury.

In recent years snowmobile sales have increased spectacularly. So have injuries. A snowmobile is essentially a tiny crawler tractor on skis. Some souped-up racing models can hit close to 100 miles per hour — imagine the impact on hitting a boulder, stump or other obstructions hidden under the snow.

When travelling in unfamiliar territory, a driver can literally lose his head by means of a single strand of barbed wire stretched across some farmer's field. Injuries to the spine, leg fractures, crushed ribs, teeth broken or knocked out, frostbite — these, and many more — are hazards of this new form of motorized travel.

Snowmobiles, however, are a boon in many rural areas, and many people use them for transportation as well as recreation."

## A Worthwhile Project

Two members from the Rotary Club of Peterborough have met on several occasions addressing the Rotary Club of Haliburton and Minden regarding the proposed building of a \$700,000 Crippled Children's Centre in the Peterborough area. The Centre is to be a project of the Rotary Clubs of Peterborough, Durham, Victoria, Haliburton and Northumberland Counties and the project is eligible for government grants to cover two-thirds of the building costs. As it appears now, the Rotary Clubs and the Crippled Children's Society will split the remaining one-third of the building costs.

In addressing the Rotary Club at Haliburton, Mr. Ed Meyer of the Rotary Club of Peterborough said: "If the provincial people know we have their support, we should have no trouble getting the grants."

In an effort to build up support for the Centre and to create an understanding of what the project entails, Rotary Club members from Port Hope, Lindsay, Fenelon Falls, Campbellford, Havelock, Minden and Haliburton flew to St. Catharines recently to tour the Niagara Peninsula Crippled Children's Treatment Centre. Lloyd Coneybeare and Allan Bagg represented the Haliburton club on this trip.

There are 860 known crippled children in the five-county area, and when the Peterborough Centre opens it will serve 95 children immediately. Twenty-seven of these children will come from the City of Peterborough, ten from Peterborough County, eight from Haliburton County, twenty-two from Victoria County, seventeen from Northumberland and eleven from Durham. The children have been referred by physicians as those in greatest need of the services.

## Figure Skating Competition Held

The Kawartha Highlands Inter-club Figure Skating Competition was hosted by Bobcaygeon on Sunday, January 30, 1972, with skaters from Haliburton, Minden, Bobcaygeon and Lindsay taking part. Twenty-three skaters from Haliburton represented their club in different areas of competition.

In the Pre-Preliminary Ladies' Division it was Kerry Hodgson placing second, Catherine Rouble seventh, Sharon Findlay eighth and Henrietta Vanlieshout ninth.

The Preliminary Ladies' had Angela Sisson placing sixth, Jennifer Sisson seventh and Alison English ninth.

Pre-Juvenile Ladies' Division had Daryl Barry finishing third and Marina Pearsell seventh; while in the Juvenile Ladies' it was Lou-Ann English placing eighth, Nancy Ford ninth and Margaret Ford twelfth.

The Municipality of Dysart et al Trophy was presented by Councillor Murray Fearrey to David Dickson as winner of the Preliminary Men's Division.

Janet and Terry Scheffee won the Juvenile Mixed Dance event and were presented with the Tom Prentice (Minden) Trophy. Janet and Terry also placed second in the Mixed Bronze Pairs event, and Terry skated to standard in the Pre-Novice event to a second.

In the Preliminary Ladies' Similar Dance the pair of Daryl Barry and Angela Sisson won a

third place finish, Suzanne Bennett and Marnia Blair fourth, and Marina Pearsell and Alison English sixth. The Juvenile Ladies' Similar Dance saw Margaret Ford and Lou-Ann English placing third, Nancy Ford and Sharon Lloyd sixth, and Jackie Gough and Magdalene Boloso seventh.

The Haliburton County Juvenile Ladies' Similar Trophy was presented to Kelly Greir and Jane Harvey of Minden, and the J. McColl Prentice Trophy for Pre-Novice Ladies' was presented by Mrs. Holly Sisson to Lee Madill of Bobcaygeon.

"Well done, skaters, we are proud of all of you!"

## Awarded Contract For Hwy. 121 Work

R. Glen Hodgson, M.P.P. for Victoria-Haliburton, and the Honourable Charles MacNaughton, Minister of Transportation and Communications, know that readers will be interested to hear that E. & E. Seegmiller Limited of Kitchener has been awarded Contract No. 71-185 for grading, drainage and granular base on Highway 121 from 7.0 miles north of Fenelon Falls north limits northerly to Secondary Highway 649, a distance of 7.68. The contract is in the Port Hope District. The contractor's tender for this contract was \$470,226.00.

## Opportunities For Youth Program Information

Dick Kenzie, Manager of the Canada Manpower Centre in Peterborough, advises that applications for the Opportunities for Youth Program are available at the Canada Manpower Centre, 130 Hunter Street West, Peterborough, and that Mr. Gerry O'Neill of the Canada Manpower Centre is prepared to provide guidance to young persons wishing to make application under this program.

Mr. Kenzie emphasized that the five general criteria for this program are: (1) Youth Involvement; (2) Innovation; (3) Community Benefit; (4) Feasibility; (5) Number of jobs created, salaries and overall budget of the project. He stressed that projects must be planned, administered and evaluated by the students themselves, who are of course free to consult with specialists or organizations having corresponding interests.

## Stitchery Course Set For February

Once again the Haliburton Highlands Guild of Fine Arts is sponsoring a weekend Stitchery Workshop at Haliburton on February 25, 26 and 27. Mrs. Alison Jones of Ajax, the instructor, comes very highly recommended.

New ideas in embroidery work, practical work in tapestry and possibilities in covering boxes, books, etc., will be a part of this course.

These courses are an excellent means to broaden your sewing and creative ability, and also provides an opportunity to meet other women interested in crafts within our area. No previous sewing experience is necessary to take this weekend course — everyone will be welcome.

## Haliburton News Letter

The icy road conditions we had last week caused many traffic accidents in the area and the schools were forced to close for three days.

It is good to see Mr. Rick Poole back at Poole's Laurentian Variety following a lengthy stay at St. Joseph's Hospital in Peterborough.

Alterations are at present being made in the basement of the Haliburton United Church, and the Rotary Club of Haliburton are holding their weekly meetings in the Orange Hall while the changes are being made.

The newly formed Legion Pipe Band are practicing every week at the Royal Canadian Legion Hall in Haliburton and it should not be too long before they are out on parade. We will try to inform you later on their progress.

The Grade 12 students of the Haliburton Highlands Secondary School and the Minden Detachment of the Ontario Provincial Police played an exhibition broomball game at the Arena in Haliburton on Wednesday afternoon.

This Saturday night at 8:00 p.m. the Cannington entry in the O.H.A. Central Ontario Junior 'D' Hockey League will be the opposition for the Haliburton Huskies in a regular scheduled game at the Haliburton Arena.

The Haliburton Red Cross Annual Valentine Dance is all set for the Royal Canadian Legion Hall in Haliburton on Friday night, February 11. This is one of the most popular dances of the year, and we understand that nearly all the tickets have been sold.

## Winter Carnival At Minden A Success

The Minden Winter Carnival held in Minden last weekend was one of the most successful ever staged by the Carnival Committee. Blessed by nearly perfect winter weather, all events went off as scheduled.

The 1972 Minden Winter Carnival Queen was Shannon Hughes and the Princesses were Diane Maxwell and Anne Robertson.

The parade, which was one of the biggest ever held on Carnival weekend in Minden, had several outstanding floats and was led by the ever famous Brampton Clown Band which also played at many of the events. The band also treated the residents at the Hyland Crest Senior Citizens' Home to a concert on both Saturday and Sunday afternoons.

With the Minden Arena being closed, the Carnival Committee were forced to build an outdoors arena in the Fairgrounds to take care of the figure skating, broomball and hockey games.

The snowmobile races sponsored by the Kinsmen Club of Minden was one of the highlights of this year's Winter Carnival.

The following are some of the results of events held at the Minden Winter Carnival:

Broomball Games - Minden Hylanders 4 Minden Ontario Provincial Police 2; Minden Red & White 3 Horseshoe Lakers 0; Beaverton 8 Minden Hylanders 0; Beaverton 3 K & W Maulers 2. In the final game Beaverton were the winners as they defeated Minden Red & White 4-1.

Bowling Games - Singles to

Douglas Robinson of Minden; Doubles to Ron Robinson Sr. and Doug Robinson with a total pin fall of 1565; Team Champions to C.G.L. with a total of 3310; and Women's Team Champions was taken by Ingoldsby with a pin fall of 2799.

Fishing Derby - Theodore Metzler of Toronto captured first prize with a 9-pound 4-ounce lake trout while second place went to Paul Eastman of R.R. 1, Minden, with a 4-pound trout.

Curling - first place and Hiram Walker Trophy to Don Sinclair of Toronto, second to Bob Collier of Haliburton, third to Bob McClelland of Fenelon Falls, and consolation to Fred Sharar of Mississauga.

Ice Sculpture - won by Fraser Newton of Ingoldsby, with honourable mention to Lyn Hicks.

Snowman - Tracy Brockman.

Parade Entries - first place to Archie Stouffer Public School (trophy winner), second to the Hyland Crest Senior Citizens' Home for the snowman, and third to Minto Marine.

Log Sawing Contest - first was Murray Sisson, second was Allan Cooper, and Eric Saunders and Buster McKelvey were tied for third.

The draw for the snowmobile was won by Alex Little Jr. with Ticket No. 2097, and the Carnival doll donated by Esther Shaver was won by Mrs. Ruth Jones of Peterborough.

All the committees and their helpers are to be congratulated on this very successful Winter Carnival.

## Letters To The Editor

January 31, 1972.

The Editor,  
Haliburton County Echo,  
Haliburton, Ontario.

To Whom It May Concern:

I see that my letter was noticed in the paper, as you have mentioned the snowmobiles interfering with the deer yards and herds. Sure, I am against this too, but what can you do but take it up with your game officer, and if he doesn't do anything about it then I would take it up with the Department of Lands and Forests at Lindsay and see what they say about it. Surely we can't condemn all snowmobilers for the crime one or two commit — that would be like taking all the vehicles off the highways because someone disobeyed a law from the Transportation and Communications offices.

We have a problem over here in Glamorgan as we don't only have the wolves to contend with but we also have dogs running loose, and these dogs have been running deer both day and night. Our biggest problem, in my opinion, is some of our game wardens who have an unlisted telephone number and who have failed to do their duty. Our Provincial Police are not allowed an unlisted number, or else we have got to be able to have access to a number where they can be reached. I work for the public and have two phones in my home and neither of these are unlisted, and you can reach me any hour of the night and most any hour of the day. I don't think I'd want it any other way as long as I am working for the public.

Oh yes, some of the local game wardens are seen coming into town to perhaps pick up their cheques of which the public has to care for. The public also has to pay me and I don't think the game wardens should be allowed this privilege, as we are not. And I can certainly assure you I am getting into the matter of getting better services from our game officers.

I'd like to close by saying just one more thing in this matter:

I believe the time will come when all firearms should not be allowed in cottages except only in the open deer or moose season.

I might say to you people who think the hunters are taking the deer out in legal season that you couldn't be further wrong, as the hunters are not taking one out of every fifty deer the dogs and wolves are taking out. Look at Algonquin Park for an example, where the deer used to be plentiful in supply and men are not allowed to hunt — look at what the wolves have done. I'd like to go further still and suggest that the men who are responsible for turning the Park into a wolf and bear jungle be forced to go in there and clean the wolves and bear out again. If you can imagine, a few years ago I was told by a very good source that they went so far as to shoot deer up there and feed the wolves; while I heard on the radio the other day a fellow man shot a deer and was going to feed it to his family as they needed it bad and he got fined \$120.00.

It seems to me that they are favouring the wild animals above fellow men, and it seems to me that we should take away from these wolf lovers and feed the wolves on that.

Yours truly,  
Frank Dewey.

## Driver Injured In Haliburton Mishap

One driver was injured and \$2,000 damage resulted when a car and a half-ton truck collided on Highway 530 near Haliburton on Wednesday of last week.

Treated for minor lacerations at the Haliburton Red Cross Hospital was Reginald Cook, 62, of R.R. 1, Haliburton, driver of the truck. Driver of the other vehicle, Margaret McGuire of R.R. 2, Minden, was unhurt.

Each vehicle received an estimated \$1,000 damage when they collided almost head-on near the intersection of Middleton's Road about 4:30 p.m.

## Huskies Climb In League Standings With Win And Tie In Weekend Action

The Haliburton Huskies continued their improved play as they picked up a 5-1 win over the Fenelon Falls Flyers and a 5-5 tie with the league leading Lakefield Chiefs on Sunday night. Although the Huskies picked up three out of a possible four points, the Bancroft Jets won twice over the weekend which puts them into second place in the O.H.A. Central Ontario Junior 'D' Hockey League, just one point in front of Haliburton. With just six games remaining, the Huskies are in a good position to end up in second spot which means the extra game in the first two rounds of the playoffs. The local Huskies travel to Cannington this Friday night and then the same Cannington club will be here at the Haliburton Arena on Saturday night.

The Huskies had little trouble on Saturday night with Fenelon Falls as they jumped into the lead at the 4:00 minute mark of the first period and never looked back. John Parish scored the opening goal with an assist going to McElwain. Roger Bain, on a powerplay, and Parish with his second goal gave the Haliburton team a 3-0 lead by the end of the middle period. The Flyers scored their only goal early in the third period, but Woodcock and Bain each notched a tally to give the Huskies their 5-1 win.

Although the Huskies are not as strong as last year's club, the improvement in play of several of the players has molded the club into a good team, capable of beating any team in the league as the Sunday game indicated. The Huskies came back from a 3-0 deficit in the first period to outplay and outscore the Lakefield Chiefs in the final period. The Chiefs opened up early in the game as they scored three times in the first ten minutes. Bill Leary scored the first goal for the Huskies at the 15:57 mark with assists going to Gerry McElwain and Rick Wood. Bev Hicks brought the Huskies to within one goal in the second period when he blasted a Roger Bain pass into the net. It looked at this point that the Huskies would pull even and go ahead, but the Chiefs scored their fourth goal at the 4:00 minute mark of the third period and this appeared to be the clincher. The Haliburton club played very hard from this point on but didn't manage to score until 12:24 when Gerry McElwain fired a low shot from the corner into the net. Just over a minute later Bob Woodcock got the tying marker on a powerplay and then John Parish gave the Huskies the lead as he connected with a blistering slapshot from the point at the 16:50 mark and the Huskies jumped out in front much to the surprise of the Chiefs. It took only 22 seconds for the Chiefs to tie the score, but the Huskies were satisfied with a tie on the Lakefield club's home ice.

## Irwin Coneybeare Rink Wins Annual Muskoka Bonspiel

Irwin Coneybeare and his rink of Richmond Hill won the main event in the Muskoka International Annual Bonspiel held at Gravenhurst last Saturday. This rink defeated Jed Simmons of Port Colborne 12-9. The rink was comprised of Irwin Coneybeare (formerly of Haliburton), Jean Coneybeare and Don and Kathy Bradshaw. The winners won seven games in a row.

John Saunders and his four-some of Bracebridge won the second event 6-4 over Bob Bryant of Alliston; Charles Springer of Thornhill the third 13-3 over Don Banks of Bracebridge; Jerry Pollock of Sutton the fourth 6-5 over Gerry Sandwell; and Vern Payne of Huntsville captured the fifth event 13-4 over John Reid of Mississauga.

## Square Dance Club Enjoys Outing

Haliburton Lake was invaded last weekend by members of the Beaux and Belles Square Dance Club of Toronto for a well organized snowmobiling jaunt. The thirty square dancers were guests of Freeman's Marina and Bayview Birches Restaurant from Friday evening to Sunday, and they made full use of the good weather for several trail rides.

Ron Tarling was trail master, assisted by Frank Schaefer, and Bob Graham acted as roving policeman. Jock Jones entertained during dinner, and the social convenors for the outing were Viv Tarling and Jean Freeman.

It was reported that a good time was had by all.

given by Mrs. B. J. Walker  
at the Minden Women's Institute  
Meeting on January 19

We started the year badly with no ice for the skating, and the children were disappointed.

Our smallest hockey team have been doing very well, and we also have some fine players on the older teams as well.

We are working hard for the new Arena. It is hoped that they put it on our taxes as this would be so little for the property holders, and we need it. We have a beautiful country and so very good sports of different kinds.

Our new Chamber of Commerce Manager, Mr. Ted Campbell, is on the job.

The Winter Carnival was a real success, though the weather was not good as it was too cold. Donna Berry was a lovely Queen.

Mrs. Jean Jackson is the new Registrar. At Beaverton our grandfather held that post for 41 years and also County Clerk for the same time, but the Registry Office at that time was not much like it is now.

The Prentice family have been on the same winning streak as last year — they are very good for a small place like Minden.

Mr. Victor Spenceley has added another big fish to his already long list, this time 13 pounds 6 ounces.

The Hydro has honoured Alex Godin and Phil Graham for 25 years of service.

The Huskies of Haliburton won the Ontario Junior 'D' Championship, but we still need a new Arena badly.

There was a bad weekend on the road.

We are about to have a new telephone system, but this will not be new to me as we had it in Detroit.

There was an Auction Sale planned and it went on fine. We got rid of a lot of things we did not need, and also bought some more of the same.

The senior citizens at the Home had a fifth anniversary and a lovely cake.

The Walkathon was a real success.

The Rotary Carnival was also a success, but the weather was not good.

Swimming classes are a grand thing for any place, but here they are so much better as we have so many lovely lakes. Everyone should know how to swim.

Frank Welch has retired after 32 years, and our new County Clerk is Wyn Lahay. I am sure she will give us good service.

They are finally starting on the new Arena, and now they are talking about a sewage plant. What next? More about this next year, I hope.

**Minden Library  
Committee Meeting**

The Minden Library Committee held their first meeting of the year at the local Library on Thursday, January 20, at 1:00 p.m. All members of the Committee and the two Librarians were present.

Mr. Robert Gorrie welcomed Mr. Lionel Rowe to the Committee and expressed his thanks to Mrs. Sears and Mrs. Lewis for both being present.

It was decided to continue on for 1972 with the same officers, Mr. R. Gorrie as Chairman and Mrs. W. Moore as Secretary.

The budget for 1972 was discussed and drawn up, and will be presented to the February meeting of the Municipal Council.

Mrs. Sears gave her yearly report and it was very gratifying to note that this Library's book circulation stood at 14,653, a rise of 1,162 over 1970. The Library was open 778 hours during the year and there were 74 requests filled. There are now 763 members using this branch, BUT what about you? If you haven't already been to the Library, why don't you have a look at the great display of books. The shelves are well stocked and this branch is open every day from 3:00 to 5:00 p.m. and Tuesday, Thursday and Friday evenings from 7:30 to 8:30 p.m. If you hear of a book you are interested in reading and you don't find it on the shelves just ask the Librarian about it and every effort will be made to get it for you, either from the County Library or through the Regional Library System.

## Minden News Notes

Another Minden Winter Carnival is over, and most homes had families or friends staying with them. The Carnival Queen chosen was Shannon Hughes and the Princesses were Diane Maxwell and Anne Robertson. The parade was excellent and the weather for this was perfect. Sunday was really cold and windy, and as the events were outside this year perhaps the crowds were not quite so large. Next year should be better with a new Recreation Centre.

Several deaths have occurred since last week, with sincere sympathy going to the families and friends of the late Mrs. Irene Barry, Mr. Donald Hogg and Mrs. Alena Flink.

At the Mini Card Party last Thursday afternoon the winners for euchre were Jean Hyde and Doris Coburn, and with a perfect score every game in cribbage Lillian Davidson.

Residents at the Hyland Crest Senior Citizens' Home having birthdays last month were Wil-

liam Cooper, Margaret Otto, Annie Avison, Florence Hewitt and Robert Schroter.

There was a fine exhibit of fine arts and crafts in the Municipal Building over the weekend, and here you could see the paintings and a fine display from the Hyland Crest Home. Here also you could enjoy a steaming hot cup of coffee.

Patients at the local Hospital on Monday included Allan Johnson, Orval Hicks, Mrs. Kay Lunham, Mrs. Marjorie Bagshaw, Mrs. Elsie Harrison, Jacob Graham and William Whittaker. In the Toronto General Hospital is Mrs. C. Roberts.

Once in a while nature has a surprise for us, and over the Carnival weekend twin calves were born at the Joe Rivers farm — one of each sex.

The snowmobile races featured during the Carnival were more exciting than usual with the ice under the snow. One machine rolled over several times with no injury to the driver, and many times the machines were slipping off the track.

Mrs. R. Ewing and Chris and Scott of Toronto and Glen Sears of River Drive Park spent the weekend with their parents, Mr. and Mrs. M. Sears.

Corporal J. C. and Mrs. Pringle and Valerie returned home to Halifax after spending a two-week vacation with Mr. and Mrs. Merle Pringle.

Mrs. Harry J. Cowan of R.R. 1, Minden, is convalescing at the home of her daughter, Mrs. Ray Miller, in Peterborough following surgery. Her sister, Mrs. Nellie Holland, of R.R. 2, Haliburton, is a patient in St. Joseph's Hospital in Peterborough.

## Carnarvon News

We are pleased to report that Mr. Walter Harrison is out of the Lindsay Hospital, and is convalescing in Ingoldsby at Kenmar.

Mr. and Mrs. Gordon Allcorn are in Toronto for a week's visit with their son and his family.

Mr. and Mrs. Ross Hussey of Toronto were weekend visitors with Ross' mother, Mrs. A. Hussey.

The annual Turkey Dinner, which is held at each Carnival, in Zion United Church was a very great success. The ladies served around 200 guests, and everyone had a marvelous time. Mr. and Mrs. Sinclair Russell decorated the platform with a winter scene which was very decorative, and the table decorations were styrofoam snowmen and candles. A lot of out of town visitors were here for dinner — folks from Minden and Haliburton, and folks who have retired here this winter.

Mr. and Mrs. Stevenson had as guests Mr. and Mrs. Bern Bowles, Mrs. Taylor and Mr. Henderson, all from St. Catharines.

Mr. and Mrs. Allan Barnes had Mr. and Mrs. Don Hood from Burlington as visitors. Dr. and Mrs. Varty and Peter and his friend from Toronto were also there.

Mr. and Mrs. Ron Nelson and family, who are summer residents here, entertained Mr. and Mrs. Laidlaw and Mr. and Mrs. Ross McMullen, all from London, and also Mr. and Mrs. Franks and family from Scarborough.

Mr. and Mrs. Lloyd Masche from Oshawa were with Mrs. Barnes and family.

Mr. and Mrs. Jock Sault and family and Bill Richardson and Mr. and Mrs. Irvine of Niagara Falls were the guests of Mr. Frank Chambers.

Mr. Wally Harpur of Toronto was the guest of Mr. and Mrs. Clayton Rogers.

It was a perfect day for the Carnival — it was cold but bright, and our summer friends are always very happy to get up here in the winter time.

## West Guilford News

Mr. Derek Rolfe is spending a vacation in England with relatives.

Mr. and Mrs. E. Pouw of Brampton and Mr. Paul Neath of Toronto spent the weekend with Mr. and Mrs. Carl Sawyer.

A speedy recovery is wished to Mrs. Vi Smith, who underwent surgery on her nose in Toronto.

Mr. Steve Sisson of Toronto was a weekend visitor at his home.

Mr. Jim Cowan spent the weekend at his home. Jim will soon be moved from the Kingston Hospital to Oshawa, where he will continue therapy treatments.

## RUTH DRYDEN MISSION CIRCLE MEETING

The January meeting of the Ruth Dryden Mission Circle was held at the Lakeside Baptist Church in Haliburton with 24 ladies present.

Betty Salvatori, whose group was in charge of the programme, took the chair and as a call to worship read a New Year's poem entitled "Time is Mine".

After singing the hymn "He Leadeth Me", Mrs. Helena Stephanic lead in prayer.

The text for the devotional message was included in the Scripture read from Philippians 3:7-16: "... but one thing I do, forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus."

"Resolutions That Will Bring No Regrets" was the theme of Edith Schram's New Year's message centred around the above text.

Bernice Schroter and May Ward both dressed in Indian saris, represented Miss Gertrude Bonner and Miss Clara Riggs, retired missionaries of India, and in a very informative dialogue told of the work done by Bible Women in India.

The Prayer Session preceded business conducted by the President, Edith Schram.

During this time a letter from Nancy Morikawa of the Oshweken Baptist Church was read thanking the group for the Christmas box of knitted mittens, slippers, scarves and hats sent in November.

Alice Hacker, Treasurer, gave an encouraging report of the year's accomplishments. Besides a generous donation to the Red Cross Hospital and the Building Fund of the Church, the ladies purchased a record player for the Young People's group. Also, monies received for Missions exceeded the allotment.

After the closing prayer by Edith, a delightful lunch was enjoyed during a social time. Velma Smith and Mabel Woodcock were the hostesses.

## FILM "TO RUSSIA WITH LOVE" SHOWS RELIGION IN RUSSIA

Most Canadians are aware of the existence of Christian faith in Russia. The Russian Orthodox Church belongs to the World Council of Churches. There is also a vital Christianity evident in the 5,000 churches of the All-

Russia Council of Evangelical Baptist Churches. Another element is the rapidly growing "non-council" Baptist Churches (in Russia the Baptist include Brethren, Pentecostals and Baptists). These latter groups have declared their right to educate their children in religious faith and to meet frequently with their brothers in faith. They have become very aggressive in sharing their faith and, in the midst of stark, sterile atheism, are maintaining a fantastic rate in growth in the midst of severe difficulties.

On Tuesday evening, February 8th, a film about these Christians and those in the West who are helping them will be shown at the Full Gospel Lighthouse in Haliburton at 8:00 p.m. People who have read the story of Brother Andrew in the best selling "God's Smuggler" will definitely want to see the film "To Russia With Love".

## KEEP FREE FROM SPIRITISM

Jehovah condemns every kind of spiritism. The Bible tells us what some of these disapproved things are: divination, magic, looking for omens, sorcery, binding others with a spell (hypnotism), consulting a spirit medium or a fortune teller and inquiring of the dead (Deuteronomy 18:10-12; Isaiah 8:19). All of this is demonism, and those who turn to such practices make themselves enemies of Jehovah — Leviticus 19:31; I Chronicles 10:13,14.

Divination is one of the common forms of spiritism. It is the effort to obtain knowledge of the unknown or of the future by means of omens or demon power (Acts 16:16). Many are the ways divination is practiced today, such as divining rods, pendulums, crystal-ball gazing, Ouija boards, ESP, examining the lines of one's hand, studying the flight of certain birds, looking for omens in one's dreams and in other incidents in one's life and then trying to relate these to the future. There is also divination by the stars, commonly called astrology. This originated in ancient Babylon as did various forms of the magical arts. The Bible shows that all those who use divination sin against God — I Samuel 15:22,23.

One of the common ways in which wicked spirits mislead people is by talking to them, either through a spirit medium or by a "voice" from the invisible realm. The "voice" pretends to be a departed relative or a good spirit; but this is falsehood. The voice is actually a wicked spirit speaking! What should you do if such a "voice" speaks to you? Well, what did Jesus Christ do when the ruler of the wicked spirits spoke to him? Jesus rejected the Devil's suggestions, saying: "Go away, Satan!" (Matthew 4:10). You can do that too. Also, you can call on Jehovah for aid, praying aloud and using his name. Follow this wise course and do not give ear to such voices from the invisible realm — Proverbs 18:10; James 4:7.

But what if one has been dabbling in some of the spiritistic religions or sciences and now wants to break free from spiritism? Well, what did many of the early Christians at Ephesus do when they wanted to get free

from the magical arts? The Bible tells us that, after accepting the "word of Jehovah" preached by the apostle Paul, they "brought their books together and burned them up before everybody", even though they were worth 50,000 pieces of silver! (Acts 19:19,20). Their example of destroying objects related to spiritistic practices is the wise one to follow.

Do not be deceived by the increasing interest in mystic and occult matters. Wicked spirit creatures are promoting such spiritism. But these wicked spirit forces, including the Devil, will eventually be destroyed (Matthew 25:41). If you want eternal life you need to stay free from their influence by avoiding every kind of spiritism.

Ray Zwidayk,  
Haliburton.

## THE POWER OF THE WORD

"In the beginning was the Word and the Word was with God, and the Word was God. All things were made by him; and without him was not anything made that was made." (John 1:1-3).

"In the beginning God created the heaven and the earth." (Gen. 1:1). How? Thus: "God said, Let there be light; and there was light." God spoke the word and the things spoken of became a reality.

To the worldly wise the Genesis account of creation seems foolish, but to the believer "The heavens declare the glory of God; and the firmament sheweth his handiwork." (Psalms 19:1).

How can we account for the earth, sun, moon and myriad of celestial bodies, each in its own orbit, being maintained and functioning with such amazing precision? To the believer this is the answer... "upholding all things by the word of his power" (Heb. 1:3). "And the word was made flesh, and we beheld his glory, the glory as of the only begotten of the Father, full of grace and truth." (John 1:14). The Word incarnate! The glory and majesty and power of God in the flesh — for the benefit of man! Thus by Christ "were all things created that are in heaven, and that are in earth, visible and invisible" (Col. 1:16), and by the same Lord "the word of truth, the gospel of your salvation" (Eph. 1:13) is presented unto you.

At many places and in many ways God has spoken in times past to the fathers in the prophets — in these last days he has spoken to us in the Son, whom he hath appointed heir of all things — by whom also he made the worlds." (Heb. 1:1-2). Then let us hear the Son, "Neither pray I for these alone (the apostles) but for them also which shall believe on me through their word, that they all may be one..." (Jno. 12:20-21). "For if the word spoken by angels was confirmed, and every disobedience and breaking of the law received a just repayment how shall we escape if we neglect so great a salvation? Which salvation was spoken of by the Lord in the beginning, being confirmed by those that heard —" (Heb. 2:2,3).

The Lord and his apostles have spoken concerning the power of the Word in our salvation. "Man shall not live by bread alone, but by every Word that proceedeth out of the mouth of God." (Matt. 4:4). "So faith cometh by hearing and hearing by the word of God." (Rom. 10:17). "Now ye are clean through the word which I have spoken unto you." (Jno. 15:3). "Moreover I declare unto you,

brethren, the gospel which I preached unto you, which also ye received and wherein ye stand: by which also ye are saved if you keep in memory what I preached unto you, unless ye have believed in vain." (I Cor. 15:1-2).

Nevertheless, many blind guides teach that you can be saved separate and apart from the Word of God and many blind followers accept such doctrine. What a tragedy!

Jesus in his gospel demands that you believe in him (Jno. 8:24), repent of your former life (Luke 13:3), confess him (Matt. 10:32,33 and Rom. 10:9,10) and be baptized into Christ (Gal. 3:27; Mar. 16:16) and be faithful unto death and I will give thee the crown of life (Rev. 2:10).

"He that rejecteth me and receiveth not my words hath one that judgeth him; the words that I have spoken, the same shall judge him in the last day." (John 12:46).

## Letter To The Editor

Box 287, Haliburton, Ontario,  
January 26, 1972.

Dear Mr. Feir:

With another year behind them, many organizations are now preparing financial reports for auditors and membership. I find that I have been remiss in a responsibility here. During the past year I chaired a Crusade Committee that brought the evangelistic team of Ken Campbell and Jim Reese to our county. Everyone involved with the Crusade was pleased with the quality of presentation and the genuineness of response.

However, a financial report was never given to our community. This oversight was mine. To refresh memories, it should be reiterated that a number of local churches participated in sponsorship and subscribed to the budget. Some evenings (not all) an offering was received. Two of these were clearly identified as offerings to the evangelistic

team's ministry, and the others were given to the local budget. We are pleased to report that the Crusade was willingly supported. The Crusade Committee joins with me in extending belated thanks to each one involved and in presenting the enclosed report.

Yours sincerely,  
Noel McNeill.

And mourn for when he's dead; it may be six or seven months or twenty-two or three, but will you, till I call him back, take care of him for me; then bring his charms to gladden you,

And should his stay be brief You'll have his lovely memories As solace for your grief."

PHONE FOR ORDERS

**1972 Inaugural Session Of Haliburton County Council**

(Continued from Last Week)

Council re-assembled at 2:00 p.m.

Mr. Sims and Mr. Ferguson concluded their presentation with the suggestion that the County should give serious consideration to planning for the future.

The Haliburton Highlands Chamber of Commerce is making great strides in tourism but on a very close budget according to a report read by the Secretary-Manager, Mr. Ted Campbell. County Council requested that at least one of the County's representatives should be on the Board of Directors of the Chamber of Commerce.

Mrs. Elsie Bursey, Administrator of the Hyland Crest Senior Citizens' Home advised that expenditures for operation had been considerably less than estimated for the year 1971, resulting from full occupancy, the interest and concern of staff, and the fortunate escape from major repair expenditures.

Mr. Allan Cooper, on behalf of the recently formed County Snowmobile Association, outlined the purposes and achievements, and distributed copies of the recent release of maps showing snowmobile trails throughout the county.

The Rev. Frank Ford illustrated and explained the accelerated advances in our way of living and stressed the need for service information to assist the effective functioning of welfare organizations.

Such a directory is being prepared by the Haliburton County Social Planning Council, members of which were in attendance at County Council to be aware of the business of their county.

Mr. Wilf Jarvis outlined the accomplishments at the Sheltered Workshop at Tory Hill.

Minutes of the Inaugural Meeting on October 28, 1971, of the Haliburton County Economic Development Commission were read by Chairman C. Harry Campbell, who told County Council of their purpose for development.

Mrs. Mary Packard presented her report on the Haliburton County Library which successfully operated eight busy units throughout the county on minimum funds. Chairman of the Library Board, Roy Brohm, commended Mrs. Packard on her efficiency and appreciated the problems encountered in their endeavour.

The Warden then declared a ten-minute recess.

Mr. Gary Agnew, Chairman of the Health Committee, outlined the proposed budget of the Haliburton, Kawartha, Pine Ridge District Health Unit and commented on its related activities.

Mr. A. L. Lock, Chairman of the Property Committee, reported on the supervision, activity and problems in the operation of the two buildings now maintained by the County.

Construction Safety Inspector Harry Clark advised that as a result of constant inspection and safety control no serious construction accidents had occurred during the past year.

Municipalities reported on employment in their areas as a result of government incentives.

Moved by V. Agnew, seconded by Roy Brohm, that the County Council meet the requirements of the proposed Library Board with a grant of \$150 per capita. Carried.

## HOW TO DEAL WITH WOMEN'S LIB

What with this Leap Year, and all, and the Women's Lib growing ever and ever more shrill, it could be a bad year for the gentle sex: men.

Not that I ever did hold much with that Leap Year business. There might have been some merit in the idea that once every four years, a lass could pick her lad, in bygone times.

But it is my conviction, based on careful observation, that the custom is out of date. In these times, if a girl sets her eye on a likely candidate, she whips her tentacles around him, hangs on until he stops struggling, and carries him home to be devoured, with utter disregard of whether or not the year can be divided by four.

Now the Women's Lib movement is another thing. There's scarcely a man in the country who dares make a crack about women any more. He knows that the slightest slight will result in his head either being blown off by a grapeshot charge of vituperation, or sliced off by the guillotine edge of irony. These dames are dangerous, and they fight under their own rules.

The only people who can stand up to them are other women, who know a good deal when they have one, and don't believe in Women's Lib.

That's one of the things that might make it a rough year. If the two factions go at it hammer and tongs some day, what's a man to do? He's going to be caught in the cross-fire, no matter what he says.

If he supports Women's Lib through altruistic motives (like maybe his wife is a believer), he is liable to find that she will turn on him in scorn and denounce him as a boot-licker who is trying to get in on the ground floor of the revolution.

If he attacks the movement from profound conviction (like maybe his wife is against it), he is liable to find that she'll turn on him in fury because it turns out that he really is a male chauvinist pig, after all. That old saying about "sisters under the skin" is not to be sneered at. Not in these troublous times.

I repeat, what is a man to do? There was a time, not so long ago, when the male of the species could retreat to some sort of a simulated dugout when women got into a flap: his club, the Legion Hall, a bar, the poolroom. Not any more. The women

have infiltrated every one of these homes-away-from-home, and there's no place to hide.

Men are constantly and plaintively asking about women the rather bewildered question that Anglo-Canadians have used so oft in recent years about the Quebecois, "What is it they want, anyway?" And getting the same non-answer.

At the risk, nay, the certainty, of being assailed from every direction that is illogical, I'll put my life on the firing-line, while the rest of you cowards skulk behind your wives, common-law or otherwise.

What is it that women want? Nothing much, really. Just everything they can get. I don't just mean material things, though I've never met a bird yet who wasn't convinced that one in the hand is worth two in the bush, whether they're dealing with fur coats, colour TV, labour-saving devices, new drapes — or men.

But those are not important among their wants. The things they are really seeking are on a much higher plane.

Foremost, they want a strong man. This is half the fun of the game. It's a challenge. Sometimes it takes as long as two years before they can completely dominate a strong man. If they have chosen a weak man, he's already dominated before marriage, which takes a lot of the zest out of the game.

They want to be loved. This is a normal, and even lofty aspiration. So do men. But women want to be loved all the time. This is where things get a bit dicey.

No man wants to be loved all the time. I'd like to see someone trying to love me at 7 a.m. as I slouch toward the bathroom like some arthritic plantigrade (look it up), yawning, groaning, scratching. In the first place, I'm completely unlovable. In the second, any woman who tried to express her devotion at that moment would be snarled at.

Women are different. Just the other night, after an 18-hour day, I crawled into bed, put my liniment-rubbed neck on the heating pad, yawned mightily, vaguely patted my wife on the bum, and fell asleep. Twelve seconds later I got a belt in the ribs from an elbow. "You didn't say 'Good night, dear'", she snapped, and I got a ten-minute tirade about couples drifting apart when such amenities are omitted.

I've just touched on the things women really want, and already I feel that I'm over my head. What do they want, anyway?

## Wedding

### DELL - SCOTT NEW YEAR'S EVE NUPTIALS

Reverend R. Simms performed a double-ring ceremony in St. Margaret's Church at Wilberforce, Ontario, on New Year's Eve when Cherryll Margaret Scott, daughter of Mr. and Mrs. Allan Scott, became the bride of Scott Dell, son of Mr. and Mrs. John Dell of Sharon, Connecticut.

Mrs. Sylvia Cameron played the organ.

Given in marriage by her father, the bride was gowned in white velvet with embroidery in purple and mauve flowers and green leaves, with a finger-tip veil flowing from a crown of pearls and marquesttes. She carried purple and white mums on sprays of cedar.

The maid of honour was Miss Wendy Schofield who was attired in dark green crepe with a head-dress of gold velvet. She carried a basket of yellow and white mums on cedar sprays.

Junior bridesmaids were the bride's sister, Gail Scott, and cousin, Diana Scott, who were gowned similarly in shocking pink crepe with bonnets to match while carrying nosegays of mauve and pink mums.

Mr. Ronnie Gibbs was best man and both the junior ushers were cousins of the groom, Bart Barnes and Brett Barnes.

The reception was held in the church basement, which was beautifully decorated with holly and mistletoe garlands and pink and white streamers and bells over the head table.

The couple then left on a winter honeymoon.

## Make Lungs Grow?

Can lungs be made to grow bigger and work better? Perhaps.

Normally, lungs grow at roughly the same rate as the body. An infant has tiny toes and tiny lungs. By the time he is full-grown, the surface of his lungs will increase 20 times, roughly the same as his body weight. The number of his air sacs — where carbon dioxide and oxygen are exchanged — will increase about ten times. At adulthood, each person has about 300 million air sacs in his lungs.

Now two researchers at the Philadelphia Veterans Administration Hospital are injecting growth hormones into rats to increase the size of their lungs. In six weeks, they increased the total lung capacity of the rats by 41 percent and stepped up lung weight by 28 percent. The actual number of lung cells did not increase. But the average size of the cells did. There was also a significant increase in the size of the air sacs.

The researchers — Drs. Jerome S. Brody and Wilfrido J. Buhain — reported their results at a recent meeting of the American Thoracic Society, the medical arm of the National Tuberculosis and Respiratory Disease Association. They speculate that similar lung growth can take place in humans.

If such growth is indeed possible, the treatment of certain lung diseases such as emphysema, in which some of the air sacs are destroyed and the person must struggle to breathe, could be affected significantly. Only further research will supply any answers.

One hundred and fifty teachers from all over Ontario, Presidents of their local Women Teachers' Associations, attended a conference at the Park Plaza Hotel in Toronto on January 21 and 22, sponsored by the Federation of Women Teachers' Associations of Ontario. The Federation represents 34,000 women teachers in the province's elementary public schools.

Attending from this area was Mrs. Ruth Gorrie of the Archie Stouffer Public School, Minden.

The conference opened with a discussion of the teacher surplus by Dr. Betty B. Macleod of the Ontario Institute for Studies in Education. On the Saturday, Florence Henderson of the Federation staff spoke on "What A Teacher Should Know About School Budgeting".

Delegates heard two spokesmen for the Unemployment Insurance Commission, Rina Leslie and Richard Dixon, explain the implications for teachers of the new Unemployment Insurance scheme which covers them for the first time.

Merit Pay was discussed by a panel of teachers who are members of a Federation committee studying the matter. Panelists were Margaret Beckingham of Peel County, Kathy Croxson of North York, Phyllis Edmondson of Toronto, Margaret Robinson of East York and Pamela Silcox of the Borough of York.

Deputy Minister of Education Dr. E. E. Stewart also addressed the delegates, on the subject of the Department's position on teacher certification.
